*These kinds of ebook is almost everything and got me to seeking ahead of time plus more. It really is filled with wisdom and knowledge I discovered this book from my i and dad advised this publication to learn.*

*(Sonny Bergstrom)*

## WHAT IS SOCIAL POLICY? (PAPERBACK)

[DOWNLOAD](#)

Polity Press, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. From housing, pensions and family benefits, to health care, unemployment insurance and social assistance, the welfare state is a key aspect of our lives. But social programs are contested political realities that we can't hope to understand without locating them within the big picture. This book provides a concise political and sociological introduction to social policy, helping readers to grasp the nature of social programs and the political struggles surrounding them. It takes a broad comparative and historical viewpoint on the United States, using an international perspective to contextualize American social policy within the developed world. Provocative and engaging, it offers insight into a wide range of social policy issues such as: welfare regimes, welfare state development, the politics of retrenchment and restructuring; the relationship between social programs and various forms of inequality; changing family and economic relations; the role of private social benefits; the potential impact of globalization; and debates about the future of the welfare state. *What is Social Policy?* will be stimulating reading for upper-level students of sociology, political science, public policy, and social work.
