LEADERSHIP SECRETS OF ELIZABETH I

[DOWNLOAD](#)

Perseus Books, 2000. Hardcover. Condition: New. Dust Jacket Condition: New. 1st Edition. A brand new unread copy- In the nearly 45 years of her rule, Elizabeth I created and presided over one of the most dynamic political and cultural transitions in the history of the world. Her achievements stemmed from extraordinary intelligence, unsurpassed communication skills, clear visions and a passionate belief in her nation and its people. As ruler, strategist, warrior and woman, she was unsurpassed.-Given the recent publication of two management books about Queen Elizabeth I, it seems wise to wonder why a 16th century monarch has become the "It girl" for 21st century leaders. The answer is found in consultants Shaun O'L. Higgins and Pamela Gilberd's incisive and entertaining Leadership Secrets of Elizabeth I. The authors have created vivid vignettes from Good Queen Bess's remarkable 45-year reign and translated her leadership challenges into contemporary business settings. They describe the mission they accomplish: "applying Elizabethan practices--'Bess' practices--that can help you establish the 'best practices' for your organization." Still, their portrait of Elizabeth is so compelling on its own terms, it is clearly not a book solely for business leaders or women. The authors deftly review Elizabeth's resume: divorcing her dysfunctional family, establishing the Church of England, restoring the value of English coinage, laying the foundation of the British Empire, and sponsoring the Shakespeare-driven golden age of English literature. Then, they offer powerful, non-gimmicky analysis of "Elizabethan" leadership practices that fueled her rise to power, consolidated her position as a woman leading an all-male government, and sent her competitors packing. One instructive chapter explores Elizabeth as the first spin doctor--a pioneer in the public relations technique of branding; another offers a practical analysis of her famously slow decision-making. In contrast to Alan Axelrod's Elizabeth I, CEO, a book that underlines...
