Reviews

The very best ebook i ever study. It really is rally fascinating through reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Coleman Kreiger)

WEIRD HIGHWAY: OKLAHOMA: ROUTE 66 HISTORY AND HAUNTINGS, LEGENDS AND LORE (PAPERBACK)

Whitechapel Productions, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WEIRD HIGHWAY: OKLAHOMA ROUTE 66 HISTORY AND HAUNTINGS, LEGENDS AND LORE BY TROY TAYLOR There is no greater highway in American history than Route 66 - the legendary Mother Road - which began in downtown Chicago and stretched all the way to the Pacific Ocean. For millions of people, it represents a treasure trove of memories and a link to the days of two-lane highways, family vacations, and roadside diners that ceased to exist decades ago. For many, it conjures up images of souvenir shops, tourist traps, cozy motor courts, flickering neon signs, and cheesy roadside attractions that have since crumbled into dust. To others, the highway holds stories of ghosts, haunted hotels, roadside spirits, mysterious vanishings, and bewildering anomalies too. In the third book in the Weir Highway series, author Troy Taylor takes readers on a virtual road trip and journey back in time to one of his favorite eras in history. Part travel guide, part crime thriller, part ghost book, this volume reveals everything from lost diners to outlaws like Pretty Boy Floyd, forgotten towns, abandoned motels, haunted places, and restless spirits that still linger from the heyday of Route 66. This is not just another book about the Mother Road, but an entertaining trip along parts of the road that many have never heard about, or have forgotten altogether. Hop in, buckle up, and let him take you on a ride you ll never forget!.
