Accountability Office, 2011 OCLC Number: (OCoLC)750214207 Subject: Economic assistance -- United States -- Evaluation. Excerpt: . . . As noted in our initial TARP report under the mandate, we identified a preliminary set of indicators on the state of credit and financial markets 7 that might be suggestive of the performance and effectiveness of TARP. We consulted Treasury officials and other experts and analyzed available data sources and academic literature. We selected a set of indicators that offered perspectives on different facets of credit and financial markets, including perceptions of risk, cost of credit, and flows of credit to 8 businesses and consumers. To update the indicators in this report, we used data from Thomson Reuters, the Federal Reserve, the National Federation of Independent Business, and a broker-dealer to assess the state of the economy and financial markets. We believe that despite certain limitations, these data considered as a whole, are sufficiently reliable for the purpose of presenting and analyzing trends in the economy and financial markets. We conducted this performance audit from March 2010 to January...

Reviews

This type of pdf is every little thing and helped me searching forward and more. It can be writer in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).

-- Fern Bailey

This is actually the very best publication i have read through till now. It is definitely simplistic but unexpected situations in the 50 % in the pdf. You can expect to like just how the article writer compose this pdf.
