Forgotten Books. Paperback. Condition: New. 288 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Gordon Wade looked into the bowl-shaped valley beneath him, with an expression of amazement on his sunburned face. Pouring through a narrow opening in the environing hills, and immediately spreading fanlike over the grass of the valley, were sheep; hundreds, thousands of them. Even where he sat, a good quarter mile above them, the air was rank with the peculiar smell of the animals he detested, and their ceaseless Ba-a-a, ba-a-a, ba-a-a, sounded like the roar of surf on a distant coast. Driven frantic by the appetizing smell of the sweet bunch-grass, the like of which they had not seen in months, the sheep poured through the gap like a torrent of dirty, yellow water; urged on from the rear and sides by barking dogs and shouting herders. Straightening his six feet of bone and muscle, the cattleman stood up and stepped to the extreme edge of the rim-rock, with hardened countenance and gleaming eyes. A herder saw him standing there, in open silhouette against the sky line, and with many wild gesticulations pointed him out to his companions. (Typographical errors above are due to OCR software and dont occur in the book.)
