

Rock Zombie (Paperback)

By J S Conner

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tom Savery never asks for trouble, because he usually gets it anyway. All he really wants is to bring back classic rock in the year 2018, but when a shady government task force begins to stalk his every move, he has to put his career on hold for his country, whether he wants to or not. The neurotic new director of the FBI has evidence that the Soviet Union is making a comeback, and they are about to reignite a conflict as old as Tom s musical influences. In order to stop a second Cold War, he must survive heavily-armed secretaries, singing bi-lingual gangsters, weapons-grade moose, and, of course, mind-controlling the recently deceased with his guitar. For most, beating those odds would be impossible. For a man who can faithfully cover any song in the Rush discography, it s only very unlikely.
