THE UNFAIR LIFE OF BEATRICE

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Beatrice finds out that middle school isn't quite what she has in mind. In fact, Beatrice learns to open up herself to the unknown despite her shyness; except, she had no idea she would be living her fairy tale dream. This fiction book is perfect for children from 3rd grade to middle school because it reflects the young generation of today and helps bring to attention their emotional state through the main character's experiences. Since the author is also transitioning to middle school, Nathalia was able to utilize her imagination through fictional characters to teach about family, friendship, joy, love, loss, sadness, and overcoming.
