Granta Books. Paperback. Book Condition: new. BRAND NEW, The Verdict: Did Labour Change Britain?, Polly Toynbee, David Walker, Did the Labour government improve people's lives? Are we healthier, wealthier or wiser; happier or safer than in 1997, when Labour came to power? If we are, how much do we have to thank Blair and Brown and their cabinets for? In *The Verdict*, Polly Toynbee and David Walker strip away spin, personality and political rhetoric to judge how our lives have changed. They consider Labour's lasting legacy and what its successors can learn from Labour's performance. Travelling the country, Toynbee and Walker compare Labour's promises with people's own accounts of what they experienced in recent years. They drop in on a Sure Start centre and visit schools, hospitals and colleges - and estates plagued by disorder - to ask: what different did Labour make? Combining sharp, witty writing, human stories and expert analysis, *The Verdict* charts Labour's often bewildering array of initiatives, projects and schemes. It questions how many depended on bubble finance and how many will be missed as recent public spending cuts take hold. From the early optimism of 'Things can only get better' to the misery of the financial crisis, Toynbee and Walker hand down the definitive judgement on Labour's record.
