Avid Readers Publishing Group, United States, 2010. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Many financial books that are available today can be overwhelming by being too technical in nature. Your Financial Playbook is an easy to read guide to navigating the complex world of personal finance. This book looks at all aspects of personal finance including investing, debt elimination, credit management, money saving tips, retirement planning, and teaching your kids about money. Your Financial Playbook uses practical real life examples to explain the importance of making the right financial decisions. You will get a great deal of information that will help you get your financial house in order and develop a plan for long term wealth building. This book will show you: The 10 things to look for when buying a stock How to start investing with just \$50 25 tips for saving money How to teach your kids about managing money The best ways to maximize your savings dollars How to pick an investment (Active investing vs. passive investing) The biggest money traps that are robbing you of your money Strategies for managing and rebuilding your credit The differences between a Roth IRA and a traditional IRA This book will benefit both the finance newbie and the seasoned investor. By applying these principles to your everyday life, you will be on the fast track to financial success!.
