## THE SECRET NEVER SHARED (PAPERBACK)

Jhz Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Secret Never Shared is a warm and sensitive forty-six year love story that will arouse your emotions and bring a tear to your eye. Penny s and Dove s pure and devoted love was never-ending from the moment these two young adults met at a majestic Canadian Rocky Mountain overlook, until Dove took his last step in Pennsylvania s Cook Forest with Penny still at his side. Pain from an inability to conceive a child after suffering a miscarriage sparks questions about prayer, and how it does not always get answered in the expected manner. After twenty-one years of marriage, Dove, a perennial top-selling author and treasured college professor, while researching historical detail for an upcoming novel, learns a secret, a secret that could change his life. The secret shocked him, and for the first time, he withheld the crucial information and never shared it with Penny. Dove s painful guilt and stress, not from the secret, but from withholding the skeleton in the closet, compelled him to write a biographical novel in a nondescript computer file. The titillating novel was complete except for the final chapter when Penny discovered the hidden manuscript five months after his sudden death. Only after discovering the hidden computer file did Penny learn the ghastly secret, and it became her personal secret to either share or withhold forever. This is a wholesome, inspirational love story you will want to share with young and old alike. The Secret Never Shared tells the story of a never-ending passionate love, professional fame, compassion for others, personal happiness and intense grief. Readers will be entranced with their personal feelings as Dove and Penny find love, but they will...
