

How America Lost Iraq (Hardback)

Filesize: 5.94 MB

Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Marlin Swift)

HOW AMERICA LOST IRAQ (HARDBACK)

DOWNLOAD

Tarcher, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. A reporter in Iraq shows how the U.S. squandered its early victories and goodwill among the Iraqi people, and allowed the newly freed society to slip into violence and chaos. As a reporter for the staunchly antiwar Pacifica Radio, twenty-seven-year-old Aaron Glantz had spent much of early 2003 warning of catastrophe if the U.S. invaded Iraq. But, as he watched the statue of Saddam topple, he wondered whether he had been mistaken: In interviews with regular Iraqis, he found wide support for the Americans. Then, public opinion changed. In early 2004, the U.S. military initiated a completely unprovoked bombing campaign against the population of Fallujah, increasing support for an armed resistance. The attack confounded many anti-Saddam Iraqis, and plunged the nation into chaos. In *How America Lost Iraq*, Glantz tells his story of working on the front lines, while revealing truths that most media outlets have missed or failed to report. For instance, 50 percent of the U.S.-trained Iraqi army has either mutinied or refused to fight; the Iraqi public has sustained appalling civilian casualties; corporate contractors including Halliburton and Bechtel have failed to supply Iraqis with the basic necessities of daily life, such as clean water and electricity; and a respected poll shows that 82 percent of Iraqis want the U.S. to leave. Here is the brutally honest account of a reporter who discovered how popular the U.S. presence was in Iraq-and who then watched this popularity disappear as the Bush administration mishandled the war, leaving us with the intractable conflict we face today.
