As part of a secret black-ops military unit, he and his brothers were genetically engineered by the government to be ruthless soldiers with an expiration date. They were loyal only to one another .until Nate laid eyes on the woman who stole his heart and blew his world apart. Now, years later, his family is still paying the price for his mistake. But as time runs out, there's only one person who can save his family: the very woman Nate swore he'd never trust again.
