Reviews

This created publication is wonderful. It absolutely was written extremely completely and beneficial. I discovered this publication from my dad and I encouraged this publication to discover.

(Kristina Kshlerin DDS)

GRADE 4 DIVISION KUMON MATH WORKBOOKS

Kumon Publishing North America. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 10.8in. x 8.4in. x 0.6in. Most grade-school workbooks try to cover the full range of topics in one workbook, and as a result do not dedicate enough pages to important mathematical concepts. Kumon's research has found, however, that children find learning easier when they tackle one skill set at a time. With these findings in mind, we designed our newest line of workbooks to help children with one particular mathematical skill set per book. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
