NO HAPPY ENDINGS (PAPERBACK)

Down Out Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nominated for the 2017 Anthony Award for Best Novella Fantine Park is not the woman her mother was - she s certainly not the safecracker her mother was either. Hell, she s not much of anything useful these days. Fresh off parole after a stint in the joint for a poorly thought out casino robbery, Fantine finds herself confronted by an old partner of her mother s and right back in the thick of it. Unfortunately, the man dragging her back to the life she left behind, one Aleksei Uryvich, is a complete bully and an idiot - content to believe he can get anything he wants with his brutish nature and the threat of a bullet for Fan s elderly father, Jae. The score: semen. Yes, semen. Gallons of it. Particularly, the genetic man-batter from supposed Ivy Leaguers and other elite. The material nets top dollar from Asia and Aleksei is foaming at the mouth at the profit potential. The plan: there is no real plan. Fantine has to get it out of Eversight Storage; a sperm bank situated right by the Battery Park Tunnel in Manhattan. A place barely anyone but a sad sack with an empty sack sees the inside of on a day to day basis. There s no guarantee anyone involved in this mess is getting out alive, especially when Fantine finds herself face to face with the psychopath known as O Leiteiro - The Milkman.
