## POM-POM PALS (PAPERBACK)

IMM Lifestyle Books, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. If you've ever made a lopsided chick or an endearingly woolly bunny at infant school you'll be familiar with the strangely addictive pom-pom procedure. Simply wind yarn around two circles of card, tie the resulting bundle around the centre, cut and fluff it - and you've made a pom-pom! It seemed magical when we were five years old, and it remains positively irresistible as an adult distraction. Pom-pom Pals takes this venerable art into a whole new world. These creatures won't be found in any petting zoo. From a streetwise Robopom to a cute Pomosaurus, these are pom-poms for the twenty-first century. They've got looks and attitude, and some of them even have corners. With basic instructions on how to make a pom-pom as well as step-by-step instructions and artworks for each of the 14 fuzzy pom-poms, these gorgeous creatures are quick and easy to make.
