This item is printed on demand - Print on Demand Neuware - Essay from the year 2009 in the subject Politics - Political Theory and the History of Ideas Journal, grade: 73 von 100 Punkten, The University of Sydney (Center for International Security Studies), course: New Security Challenges, language: English, abstract: This essay deals about the approaches of Critical Security Studies (CSS) to the `the War on Terrorism (WoT). To understand the approaches of CSS it is important to know, that this view has its origin in the critique of the traditional approaches realism and liberalism. A consequence of this is CSS do not see the state as most important referent object. In contrast to realism and liberalism it is the approach of CSS to look for alternative referent objects beside the state. But CSS are not just one approach. It is divided into different schools or drifts. This essay wants to research, how these schools and drifts analyse the WoT. Central to this are the paragraphs 2 and 3, which deal about Welsh School and `Copenhagen School . These two are most important drifts inside CSS. The...
