A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

Excerpt from Shall Japanese-Americans in Idaho Be Treated With Fairness and Justice or Not?: Addresses and Proceedings at Mass Meeting, Citizens of Idaho, Auditorium First Congregational Church Biose, Idaho, Evening of January Twenty-Third, 1921 The meeting was called by Frederick Vining Fisher, the Pastor of the First Congregational Church of Boise, entirely on his own initiative, without asking the support of the Church, the Pilgrim Brotherhood or the United Americans of which he is a State Director, solely in the interest of truth and justice. Attacks on the Japanese in the Forum of the Chamber of Commerce and the introduction of a bill in the State Legislature to petition Congress not to allow citizenship for American resident Japanese in any new treaty to be made caused Mr. Fisher to ask the citizens to come together and consider the real facts in the case.
