Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *The Tourists Companion and Guide to Coney Island, Fort Hamilton, Bath Beach, Sheepshead Bay, Rockaway Beach and Far Rockaway: To Which Is Added a Description of Public Buildings, Famous Landmarks, Parks, Churches, Theatres, Libraries, Art Galleries and Other Matters of Interest to Strangers, in the City New York and Vicinity* When the days grow hotter inland; when the dust of July begins to settle in the streets of the great city, and the nights become more and more insufferable, here along the coast the even-tempered breezes charm away the heat. The pure salt breath of the ocean as it greets you is a tonic invitation to resist depression and decay. The resistless, eternal splash of the waves - the deep blue waves - suggest power with ease and beauty, as each scattered drop is gathered and dashed again and again at your feet. Your prompted energies quicken and revive; you realize to the full, intensities of expression. You are delighted with the briskness of life; the exhilarating air; the marked sense of health; the gay colors which are so agreeable in the cool shadows of the afternoon.
