*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

iUniverse, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Thanks to new advances in technology and medicine, we are living longer. Science is already predicting the first person to live to 150 years old has already been born. This means more people could be expecting longer retirement years. Retirement is an often-discussed topic, but it is rarely planned for as a lifestyle. It s like a freight train roaring down the railroad track chasing us. We know it will catch us at some point. In Don t Retire to Expire, author Bob Bradshaw offers a discussion and guide to successful lifestyle retirement planning. Through more than 200 interviews of people who have retired, are planning for retirement, or are just now thinking what it will be in their future, Bradshaw shares a host of information on how to approach retirement--to begin thinking and planning for a better experience. From the financial aspects, to living and aging well, to health care concerns, Don t Retire to Expire explores the facets of leaving the work world behind. It advocates creating a strong plan to help you enjoy the retirement for which you worked so hard.
