A riveting and unique take on the story of the Crucifixion from the author of Sun Thief. We've got a tough one here, said the magician. Going to take more than my usual tricks to get him interested. Flea scowled. One day you'll meet a real magician who'll blast you off the face of the earth with lightning bolts. Flea is the smallest, mouthiest member of the Temple Boys - a street gang who fight daily to survive in a place where nobody cares a jot for them, especially not the Romans who are in charge of the place. When the Magician comes to town, Flea and the gang reckon they can get the better of him, no problem. But his companions - Jude in particular - seem to have their measure right from the start. All is not as it seems. Fans of Rick Riordan's Percy Jackson and Magnus Chase series will love this historic adventure that blends compelling fictional characters with a historically accurate setting.
