## HAPPY WITHIN: HAPPY STARTS ON THE INSIDE (PAPERBACK)

Dorrance Publishing Co., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Happy Within: Happy Starts on the Inside combines faith and real-life experiences and focuses on finding happiness within yourself. Through her own process of trial and error, author Jannelle C. Hanni demonstrates that the quality of our relationships with others is directly related to how we feel about ourselves and we only need to be concerned with the way we are because we cannot change other people--or many situations we find ourselves in. There is so much to be joyful about if we choose to focus on the positives rather than the negatives; when we love ourselves unconditionally, we are more lovable, and it works like a chain reaction in the world as we engage with others. Being happy starts on the inside! About the Author Jannelle C. Hanni grew up in a small country town in Colorado. Growing up as part of a large family, Hanni has always enjoyed being with people. She began writing stories and poems at the age of 14 and continues her writing today in the form of motivational and inspirational stories that empower others to move forward with excitement and confidence. In her spare time, Hanni enjoys cooking, scrapbooking, and creating floral designs. She loves animals, spending her mornings in prayer, and spending time with her friends.
